## *Power & Communication beyond borders*

### **The Iridium 9555**

**Iridium 9555 is the latest evolution in our rugged and reliable satellite phones – and it works everywhere. Without exception.**

The Iridium 9555 is the ultimate in dependable mobile communications. It is a ruggedly built tool, not a toy. It won't play games, take pictures, or play MP3s. What it will do is work. Everywhere. Without exception. It is engineered to withstand the world's toughest environments, so the world's toughest customers can depend on it as a critical lifeline whenever and wherever need takes them.
